Web Development Bootcamp
13 April 2026

Why Participate in TechFest?

🚀 **Innovation**
Showcase creative technical ideas.

🤝 **Networking**
Connect with students and tech enthusiasts.

🏆 **Competitions**
Win prizes in exciting competitions.

UI/UX Design Contest

Club: ITERA

Date: 14 April 2026

Location: Design Lab

Register

Mobile App Development

Club: ITERA

Date: 15 April 2026

Location: Android Lab

Register

Gaming Tournament

Club: ITERA

Date: 15 April 2026

Location: Gaming Arena

Register

Tech Quiz

Club: ITERA

Date: 15 April 2026

Location: Seminar Hall

Register

Blockchain Workshop

Club: ITERA

Date: 16 April 2026

Location: IT Lab

Register

Startup Pitch Competition

Club: ITERA

Date: 16 April 2026

Location: Auditorium

Register

Coding Competition

Club: ITERA

Date: 16 April 2026

Location: Computer Lab

Register

IoT Workshop

Club: ITERA

Date: 17 April 2026

Location: Electronics Lab

Register

Tech Treasure Hunt

Club: ITERA

Date: 17 April 2026

Location: Campus

Register

Technical Clubs at Sanjivani College of Engineering

ITERA

Information Technology Engineering Research Association (ITERA) is the technical club of the IT department organizing TechFest, hackathons, coding competitions and technical workshops.

- Hackathons
- Web Development Workshops
- Competitive Coding

Join Club

Robotics Club

The Robotics Club focuses on automation, robotics competitions and embedded systems development.

- Robot Building
- Drone Projects
- Automation Competitions

Join Club

AI & ML Club

This club promotes learning in Artificial Intelligence, Machine Learning and Data Science through projects and workshops.

- AI Workshops
- ML Projects
- Data Science Hackathons

Join Club

Cybersecurity Club

Cybersecurity Club trains students in ethical hacking, network security and cyber defense competitions.

- CTF Competitions
- Ethical Hacking Workshops
- Security Research
